

In the Claims:

1. (Original) An animal feed comprising:
a fat, said fat being present in an amount effective to provide nutritive fat to an animal;
a solid nutritive source, and
a hemicellulose binder, said animal feed being in the form of discrete plural particles of a size suitable for feeding to an animal, said hemicellulose binder being present in each of said particles in at least an amount effective to improve intraparticle cohesion.
- 2 - 44 (Canceled).
